

Dearborn Dirt!

August 18th - August 24th

Garden Center News & Specials

Perennials

Get them in the ground now for next year and they'll come back even stronger, and an added bonus - some may re-bloom this summer with the proper care. Be sure to give some extra TLC, especially with watering. With the summer heat and dryness, your plants need plenty of water. Stop in for soaker hoses, regular hoses, and watering cans - all your watering needs.

We want your plants to grow and thrive!

Farm to Table Dinner

Saturday, Sept. 21st 6:30 pm

To end summer, Dearborn would like to invite you to our fifth annual farm-to-table dinner that showcases ingredients straight our farm on Saturday, September 21st at 6:30. Enjoy a fresh, healthy, and of course delicious five-course dinner prepared by our in house Chef in our beautiful Garden Center. Relax to the sounds of music and our water features, and prepare for your taste buds to be wowed by this amazing menu from our farm and local farms. Call the store as reservations are required.
